Dear Ms. Payal,

We want to extend our gratitude for conducting the session on Health and Wellness on 18th April'19. At ACPL we are in constant high pressure environment and health at lot of times takes the lower priority. Your guidance on how to take small steps which helps us in ensuring we are not compromising on the health. Your tricks and tips of ensuring the energy and attitude is always high has already seen high adoption in ACPL. Looking at the interest of the employees to know and learn more on this, we have circulated your visiting cards to let them get in touch with you as per their convenience and concerns.

Your session has really contributed a lot and we look forward to more such sessions.

Hope to see you again!
